2. Give one specific example of **something you learned from the group** that you probably wouldn't have learned working alone.

> I was able to learn different more efficient ways of coding from my PUG members.

3. Give one specific example of **something the other group members learned from you** that they probably wouldn't have learned otherwise.

> I can't think of any

4. What are some things you did that helped the group the **most**?

> I actively collaborated with everyone and shared my views.

5. What are some things you did that helped the group the **least**?

> I can't think of any

6. What do you think the **most** effective things about the way your group worked were?

> We were able to split the tasks and everyone did their part on time. When it was unclear how to split a task, we were all willingly took part to complete it. This made making the final presentation easy.

7. What do you think the **least** effective things about the way your group worked were?

> We mostly worked separately and mostly only met to combine our individual task.

8. Suggest at least **one change** the group could make to improve its performance next time.

> There was room in understanding each other's part of the project more.
